INTRODUCTION

The November 5, 2002, General Election was conducted, and the enclosed results were certified during former Secretary of State Bill Jones's administration. I want to acknowledge and thank him for a job well done.

I am pleased to provide this Statement of Vote to the citizens of California. As you will see, this document includes not only detailed vote results for all state and statewide offices and measures that were on the ballot last November, but also contains other elections information that readers may find interesting.

As the new Secretary of State, I also want to express my deep concern that only one of every two registered voters cast a ballot at the November 2002 election. This represents about one of every three persons who are eligible to vote actually voted.

I want to pledge to you that I will do everything in my power as Secretary of State to encourage greater participation by increasing voter confidence in the integrity of our election process. I invite you to help me to get the word out to your family, friends, co-workers and neighbors that their vote – and every vote - counts!

I look forward to working with you.

ABOUT THIS STATEMENT OF VOTE

The Introduction

This Statement of Vote contains a wealth of information. In the introductory pages, you will find the voter registration and participation statistics reported by county for this election and statewide for past general elections starting with the November 8, 1910 election. Also included are the signature requirements for qualifying an initiative or referendum measure for the ballot, or a new political party to nominate state-level candidates. The voting systems used by the counties and a brief description of each one are next; the last section in the introduction contains the summaries of votes cast for ballot measures alone and for all offices and measures on the statewide ballot.

The Statement of the Vote

The Statement of Vote reports the county-by-county vote cast for each candidate and measure on the ballot. For example, in a statewide contest such as Governor the vote is reported by all 58 counties, listed in alphabetical order with the statewide total at the bottom. Candidates are listed in party alphabetical order, major parties first followed by the smaller parties; i.e., Democratic, Republican, American Independent, Green, Libertarian, Natural Law, and Reform. Independent and write-in candidates are listed last.

Legislative and congressional district contests are similarly reported, indicating the counties that comprise the district. For example:

The "Votes not Cast in Race" column, which appears in every contest, indicates the number of voters who cast ballots in that district but did not vote in the contest.

Ballot Measures are reported by county in alphabetical order, with results in “For,” “Against,” and “Votes not Cast” order.

Note 1: P indicates a presidential election year; S indicates a statewide special election.

Note 2: In 1911 women were given the franchise.

Note 3: 1972 was the first year that 18- to 21-year-olds were eligible to register and vote in a general election. The registration period was also extended that year by reducing the 54-day pre-election cut-off period to 30 days.

Note 4: In 1975, the cut-off period for registering to vote was reduced by the Legislature to 29 days prior to the election.

Signature Requirements for Qualifying Initiative and Referendum Petitions in 2003, 2004, 2005, and 2006

(Based on the Number of Persons who Voted for the Office of Governor at the 2002 General Election)

Initiative

Often called "direct democracy," the initiative is the power of the people to propose statutes, amendments to the state constitution or general obligation bond measures for voter approval or rejection. To qualify an initiative statute, registered voters equal in number to at least 5% of the votes cast for all candidates for governor in the last general election must sign petitions; to qualify an initiative constitutional amendment requires signatures equaling 8% of the gubernatorial vote. A qualified initiative appears on the ballot at a regularly scheduled statewide election or at a special election called by the Governor that occurs at least 131 days after the measure qualifies. Any initiative that qualifies after the 131-day deadline is placed on the next ensuing statewide ballot. The Legislature may amend or repeal initiative statutes, but must submit the amendment/repeal to a vote of the people, unless the initiative statute permits amendment or repeal without voter approval.

Number of Signatures Required for an Initiative Constitutional Measure: **598,105**
[8 percent of 7,476,311 (Art. II, § 8(b), Constitution)]

Number of Signatures Required for an Initiative Statutory Measure: **373,816**
[5 percent of 7,476,311 (Art. II, § 8(b), Constitution)]

Referendum

Referendum is the power of the people to approve or reject statutes adopted by the Legislature, except those that are urgency, that call for elections, or that provide for tax levies or appropriations for usual current expenses of the state. Citizens wishing to block implementation of a legislatively adopted statute must gather and have verified within 90 days of enactment of the bill signatures equal in number to at least 5% of the votes cast for all candidates for governor in the last gubernatorial election. A qualified referendum is placed on the ballot at a statewide election that occurs at least 31 days after the measure qualifies, or at a special election called by the Governor. The Legislature may amend or repeal referendum statutes.

Number of Signatures Required for a Referendum Measure: **373,816**
[5 percent of 7,476,311 (Art. II, § 9(b), Constitution)]

New Political Party Qualification Requirements for the 2004 and 2006 Primary Elections

(Based on the Number of Persons who Voted at the 2002 General Election)

There are two methods by which political parties can qualify for official status and so be able to place candidates on the primary election ballot. The qualification deadline for either method is 135 days before a statewide primary in an even-numbered year, based on the registration totals as of the 154th day before the election.

1. **Registration.** By the 135-day deadline, a party must have obtained registrations equal in number to 1% of the total vote cast in the last gubernatorial election. The current registration requirement is:

New Political Party by Registration **77,389**
[1 percent of 7,738,821 (§ 5100(b), Elections Code)]

2. **Petition.** By the deadline, a party must have collected petition signatures of registered voters of any party equal in number to 10% of the vote cast in the last gubernatorial election. The current signature requirement is:

New Political Party by Petition **773,883**
[10 percent of 7,738,821 (§ 5100(c), Elections Code)]

Once qualified, a political party maintains its qualified status by retaining registrants representing at least 1/15 of 1% (.00067%) of the total state registration (based on the Report of Registration published by the Secretary of State with respect to voters registered as of the 154th day before the primary election); **and either**

1. Having one of its candidates for statewide office (Governor, Lieutenant Governor, Secretary of State, Controller, Treasurer, Attorney General, Insurance Commissioner, or United States Senator) receive at least 2% of the total vote cast for that office in the gubernatorial election;
or
2. Retaining statewide registration equaling at least 1% of the total votes cast at the gubernatorial election.

STATEWIDE OFFICERS

California elects its statewide officers (Governor, Lieutenant Governor, Secretary of State, Controller, Treasurer, Attorney General, Insurance Commissioner, and the Superintendent of Public Instruction) in the even-numbered years not evenly divisible by four. All are subject to term limits – two four-year terms.

BOARD OF EQUALIZATION

The State Board of Equalization administers all of the state's tax laws except for the income tax, which is administered by the Franchise Tax Board. Like the statewide officers, the four members of the Board of Equalization are elected in the even-numbered years not evenly divisible by four. They, too, are subject to term limits – two four-year terms.

UNITED STATES REPRESENTATIVE

The United States House of Representatives has 435 members elected to serve two-year terms. The number of Representatives allocated to each state is determined by the state's population, as reported in the decennial census. Federal law requires the reshaping of congressional/legislative districts within each state following the census to reflect the changes in population and ensure that the "one-person, one-vote" mandate is obeyed. Since the 1879 State Constitution, the Legislature has been charged with the responsibility of reapportioning legislative, congressional and board of equalization districts. The elections and reapportionment committees of each house use the census tract maps supplied by the U.S. Bureau of the Census and precinct information supplied by the counties to realign the districts. Following the 2000 census and subsequent reapportionment of districts, California added another district bringing our congressional delegation to 53 members of the House of Representatives. Members of Congress are not subject to term limits.

THE CALIFORNIA LEGISLATURE

The California State Legislature consists of two houses:

The State Senate: the “upper” house is comprised of 40 Senators, each elected to four-year terms. As with the U.S. Senate, the terms of the Senators are staggered so that half the membership is elected every two years. The Senators representing the odd-numbered districts are elected in years evenly divisible by four; i.e., presidential election years. The Senators from the even-numbered districts are elected in the intervening even-numbered years, in the gubernatorial election cycle.

The State Assembly: the “lower” house is comprised of 80 members, elected to two-year terms and so are on the ballot at every regularly scheduled statewide election.

Both State Senators and Members of the Assembly are subject to term limits – two four-year terms for Senators, three two-year terms for Assembly members.

PROPOSITIONS

Propositions or measures reach the ballot in a number of different ways. They are:

Legislative Constitutional Amendment (LCA)

An LCA is an amendment to the state constitution proposed by the Legislature. It must be adopted in each house of the Legislature by a two-thirds vote of the membership; it does not require the Governor's signature to be placed on the ballot. Once it has been adopted by the Legislature, the Secretary of State chapters and places it on the next statewide ballot that occurs at least 131 days from the date of chaptering.

Legislative Bond Measure

Any bill calling for the issuance of general obligation bonds must be adopted in each house of the Legislature by a two-thirds vote of the membership, and signed by the Governor (or allowed to become law without the Governor's signature). It is subject to the 131-day qualification deadline.

Initiative

The initiative allows citizens to propose statutes, amendments to the state constitution or general obligation bond measures for voter approval or rejection. An initiative statute requires the signatures of registered voters equal in number to 5% of the votes cast for all candidates for governor in the last election to qualify for the ballot; an initiative constitutional amendment requires signatures equaling 8% of the gubernatorial vote. Initiatives are also subject to the 131-day qualification deadline. Any measure that qualifies after that deadline is placed on the next ensuing statewide ballot.

Referendum

The referendum gives citizens the ability to approve or reject statutes adopted by the Legislature, except those that are urgency, that call for elections, or that provide for tax levies/appropriations for usual current expenses of the state. Citizens wishing to block implementation of a legislatively adopted statute must gather within 90 days of enactment of the bill signatures equal in number to at least 5% of the votes cast for all candidates for governor in the last gubernatorial election. Once qualified, a referendum appears on the ballot at a statewide election that occurs at least 31 days after the measure qualifies, or at a special election called by the Governor. The Legislature may amend or repeal referendum statutes.

Initiative Amendment

Unless an initiative specifically allows for legislative amendment of its provisions, the Legislature must submit any amendment it proposes to a vote of the people. A legislative initiative amendment requires only a majority vote of each house, unless otherwise specified in the initiative, and must be signed by the Governor or allowed to become law without his/her signature. The 131-day qualification deadline applies. An initiative amendment may also be proposed by another initiative.

All statewide measures require a simple majority for passage.

State ballot measures are numbered consecutively in ten-year cycles; the current cycle began with the eleven measures on the November 1998 general election ballot.

Supplement to the

Statement of Vote

November 5, 2002
Gubernatorial General Election

Secretary of State

Due to budgetary constraints, this Supplement to the Statement of Vote will not be printed. The data will be available online at the Secretary of State website, www.ss.ca.gov, or by request only to the Elections Division, (916) 657-2166.

INTRODUCTION

The November 5, 2002, General Election was conducted, and the enclosed results were certified during former Secretary of State Bill Jones's administration. I want to acknowledge and thank him for a job well done.

I am pleased to provide this Supplement to the Statement of Vote to the citizens of California. As you will see, this document includes not only detailed vote results for all state and statewide offices and measures that were on the ballot last November, but also contains other elections information that readers may find interesting.

As the new Secretary of State, I also want to express my deep concern that only one of every two registered voters cast a ballot at the November 2002 election. This represents about one of every three persons who are eligible to vote actually voted!

Fellow Californians, this is a crisis of epic proportions. I want to pledge to you that I will do everything in my power as Secretary of State to encourage greater participation, and I invite you to help me to get the word out to your family, friends, co-workers and neighbors that their vote – and every vote - counts!

I look forward to working with you.
